

Liber Sodalitas

Scions of the Holy Triad

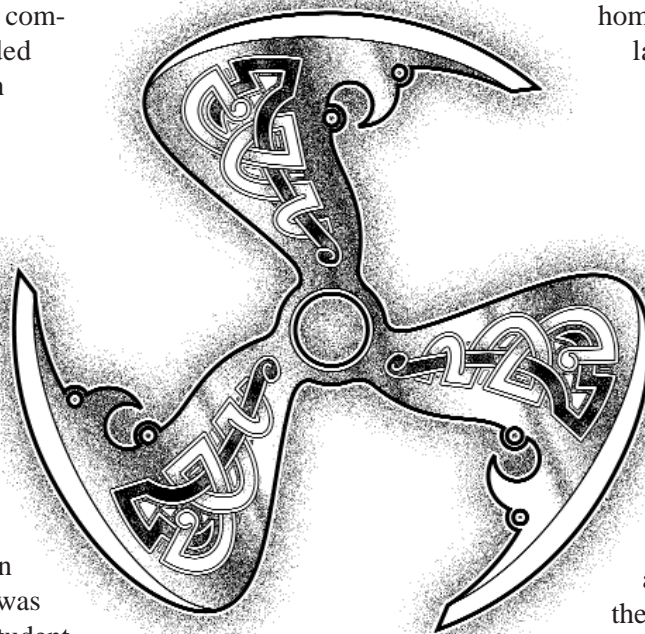

Eschewing the idea of a fractured pantheon in which each deity stands on its own, the Scions of the Holy Triad, a group of warrior-priests venerating equally the gods of War, Fortune and Protection, seek to return to a golden age when the gods were worshipped in unison and their strengths combined for the betterment of the mortal realm. Though a young group in the land, the Scions have made an impact, drawing to their ranks a community of like-minded individuals bent on uniting the worship of the gods, as well as the enmity of those opposed to their goals. And it all stemmed from the vision of one man, a sibyl named Gelon Polydorou.

History

A priestly bard with and obsessive interest in ancient history, Gelon was always a sage's dream student. Memorizing the full history of the Empire, and more than a hundred songs and tales by the age of ten, Gelon was enrolled at the Temple of Apollo, god of Fate and Fortune, where he would be able to get a full education. While at the temple, Gelon learned the art of divination, allowing him to probe into the mists of

time to indulge in his passion in history; by the time of his ordination, Gelon had both read every single historical tractate in the Temple of Apollo, and managed to perfect the art of divining into the past. Leaving the Temple behind, Gelon set out on a marathon tour of the Empire, visiting every single sizeable library, public or private, within imperial borders, and every oracle along the way. By the time he returned home to the Temple ten years later, Gelon was undeniably regarded as one of the most knowledgeable sages in the land, capable of conversing on virtually every single topic.

The thirst of sages, however, is not easily quenched; declining a post at the Temple of Apollo, Gelon set out on a new academic task, learning all there was to know about the gods, both in the upper and mortal realms, a task, the sage would find out, easier said than done. While followers of some gods were certainly open with the august sage, most were reticent to reveal anything but the most basic facts, with some being outright aggressive in their opposition. The patterns were easy enough to recognize, with mortal
